Dr. Pierce's Favorite Prescription

Is the best of all medicines for the cure of diseases,
disorders and weaknesses peculiar to women. It is the
only preparation of its kind devised by a regularly gradu-
ated physician—an experienced and skilled specialist in
the diseases of women.

It is a safe medicine in any condition of the system.
THE ONE REMEDY which contains no alcohol
and no injurious habit-forming drugs and which
creates no craving for such stimulants.

THE ONE REMEDY so good that its makers
are not afraid to print its every ingredient on
each outside bottle-wrapper and attest to the
truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can
get it. Don't take a substitute of unknown composition for this medicine of
known composition. No counterfeits are so good as the genuine and the druggist
who says something else is "just as good as Dr. Pierce's" is either mistaken
or is trying to deceive you for his own selfish benefit. Such a man is not to be
trusted. He is trading with your most priceless possession—your health—
may be your life itself. See that you get what you ask for.
